

Prof. Eugene Minevich

USA

Eugene Minevich, MD, is a Professor of Clinical Surgery in the Division of Pediatric Urology at Cincinnati Children's Hospital Medical Center. With board certifications from the American Board of Urology and Pediatric Urology Subspecialty, Dr. Minevich has held key leadership roles, including Director of the Stone Center and Chair of Pediatric Urology International Education. He has served as Secretary-General (2015-2019) and President (2010-2011) of the American Association of Pediatric Urologists, and as a Council Member of the World Federation of Societies for Pediatric Urology.

His numerous professional memberships include the American Urological Association, European Society for Pediatric Urology, and the Society for Pediatric Urology. Dr. Minevich's contributions to the field have been recognized with multiple awards, such as the Bea Wacksman Memorial Award and Best Doctors in America (2011-2020). He also holds honorary memberships and editorial roles in leading urological journals.
